

Say hello to your everyday solutions. From securing your upholstery to bundling up your camping gear, our colour-coded **VELCRO®** Brand product lines help guide you to the right fastening tool for the right job.

1 Heavy Duty

Our line of Industrial Strength hook and loop products are ideal for keeping your heavier things organized and connected without worrying if they are secure. If you need peace of mind, look no further than **VELCRO®** Brand Industrial Strength fasteners.

2 HANGables

With **VELCRO®** Brand HANGables® Wall Fasteners it's never been easier to hang items and organize your living spaces! The HANGables® Removable Strips and Hooks are the perfect way to decorate without damaging your walls. Hang your favorite items. Then, when you're ready to remove, peel off cleanly.

3 General Purpose

Stick when you want it to, un-stick when you don't. Our adhesive tape, strips and coins give you an array of options for keeping things organized and connected. Available for everyday, removable, and heavy duty applications.

4 Straps & Ties

Designed specifically to keep things wrapped up and strapped down. The modern world has a tendency to get a little messy. Our reusable straps and ties are a neat and simple way to bundle, secure, and carry the awkward clutter of life.
